				REV	ECO NO. YYYY-MM-DD	NAME	NOTES																																																								
				-0	2017-035 2017-11-27	SGO	New Assembly Drawing for Transfiller Adapter subassembly																																																								
-1	2023-006 2023-03-07	JPA	Update BOM for usage of Dust Caps																																																												
B	<b>Assembly Notes:</b>  [1] Apply Teflon tape to male NPT threads prior to assembly  2. Slip Nut (2) over Nipple (1); Install Nipple (1) into Elbow (3) as shown and torque together as required for NPT connection  3. Pressure-test assembly to 3000 PSIG  4. Seat Nut (2) against shoulder of Nipple (1) and install Retaining Ring (4)  5. Affix Dust Caps (5,6); Bag Spare O-ring (7) <b>[DO NOT LUBE]</b> separately in 2-mil bag. If building for stock, bag completed assembly per ESR-008 in 4 mil bag together with spare O-ring and p/n tag and submit to inventory. If building concurrently with consuming assembly, item need only be marked and packaged as necessary to forward to next operation.
